Post Graduate Department of Management Studies

The Post-Graduation Department of Management Studies (PGDOMS) started during 2009-10 academic year to train and impart management education among students, with well experienced and qualified faculty members from industry and academia.

President Message

I am very happy that the Post Graduate Department of Management Studies (PGDOMS) for bringing out the III issue of annual news letter. The Post Graduate Department of Management Studies Was established in the year 2009, which makes it unique in teaching management education. The department has been conducting curricular and extra curricular activities continuously for the development of the department as well as students. The current newsletter publishes the progress of the department to each and every stakeholders. The activities conducted by the department are helpful to explore the students' leadership qualities when they enter into the corporate world. The department brings out creative initiatives and Various student related management activities.

The III Issue of the news letter helps all the stake holders of the department to know the various activities conducted for Faculties and students for the development of the department in the academic, research, extracurricular activities that are organized at the department.

**Sri. K S Vijay Anand
President**

I appreciate the faculties and students of the Post Graduate Department of Management Studies for bringing out the III issue of the Annual Newsletter to depict the curricular and extra Circular activities of the department conducted for the development of students. The PES College of Engineering acknowledges the creative initiative by MBA department through this newsletter and related activities, I congratulate all the students and staff members for their efforts. I extend my sincere support for future endeavors.

Dr. R M Mahalinge Gowda
Principal

It is my pleasure to present the III newsletter. I take this opportunity to thank our faculties and students involved to bring out this III issue of the annual newsletter. One of the key objectives of the newsletter is to provide the information of various activities of the department and progress made by the department to all the stakeholders and intern seeks feedback to improvise the departmental activities. This will help to create true value to all the stakeholders of the department and the institute .

Dr. Alure Gowda
Associate Professor & Head

Dear All,

It gives me immense pleasure to ensure that this newsletter has successfully accomplished its objective to reach out to its audience. We are hereby bringing you Volume 03, Issue 01 of ADAMYA 21 the newsletter of the MBA department. The reflection of the students' creativity and achievements is the epitome of the magazine. Students have put forth their ideas and thoughts that are too deep to be expressed and too strong to be suppressed. This newsletter is before you due to the combined efforts of the Editorial Board, the support from the management and our beloved principal.

Dr. A C Kiran Kumar
Associate Professor & Chief Editor

Post Graduate Department of Management Studies

The Post Graduate Department of Management Studies (PGDOMS) was established in the year 2009, with an intake of 60 students. Post Graduates management students from PESCE are highly desirable job candidates as they are self-directed, ethical and effective contributors in their academics. The department foresee the acumen in students to become managers and leaders of the global world.

MBA is a two-year full time course spread over four semesters. The program is duly approved by AICTE, New Delhi and affiliated to the VTU. The institution is accredited by National Board of Accreditation (NBA) and National Assessment and Accreditation Council (NAAC). Besides, MBA Program is committed to provide the educational and corporate experiences required for professional competence.

Stutent's Speak

It gives me great pleasure to express my thoughts about the department. All faculties are highly qualified and provide effective lectures which are easy to understand. Our department has provided all the required books in the library & the environment is good and friendly. The days I spent at the PGDOMS, PESCE were the best days of my life, and I will remember them for the rest of my life.

Nayaz Ahmed
USN:4PS19MBA31
Marketing & HR

It was a great time we spent in the post graduate department of management studies, PESCE. The two years I spent here were fantastic, and allowed me to become a better professional person. Faculties here are highly experienced & cooperative they taught us each concept in a professional manner with appropriate practical examples. And also the department provides great platform to conduct extracurricular activities to improve our personality.

Our department provided all the required high-quality books in the library. The college & department environment has an amazing environment for

Nida Farooqi
USN:4PS19MBA32
Marketing & HR

We had a wonderful time in the post graduate department of management studies, PESCE. The faculties are good and their teachings are highly satisfactory. All required books related to subjects are easily available in the library. I'd want to express my gratitude to all faculty members for their guidance and assistance in all facets of my life. The environment here is good and pleasant.

Vinod kumar
USN:4PS19MBA55
Finance &
Marketing

Campus life is extremely memorable and the quality of teaching is very good. Our department provided amazing study facilities with good study text books in the library. The faculty members here are highly qualified and provide motivation to the students. This is a friendly campus, and the college offers a variety of activities in which students can participate.
